

Some photos and places we visited while walking

Mary Watkins and Jim Infield visit some churches on their walks

May we find peace in your presence, O Lord
In your great love you created this wonderful world,
May we find peace in your presence, O Lord
And joyfully journey together with you!

Serga Collett's dogs have had the best time:
current distance 110 miles!

**Lord, you are in this place,
You are with me now.
Help me to relax in your
presence,
To rest in your heart,
To reflect on your love,
And to listen to your voice!**

Thank you to Clare Enright
for these photos she took on
her walks around Lode.
